Variance and Special Exceptions Application Checklist

Application Requirements:

- ☐ Completed Application (with all relevant information to your case).
- ☐ **Electronic version of the entirety of your application submittal, saved as a single PDF.**
- ☐ Survey Plat of the subject property in accordance with the attached site plan checklist.
- ☐ Signed and notarized affidavits of all property owners. Use separate sheet.
- ☐ Signed Campaign Disclosure Statement.
- ☐ Written legal description of the property.
- ☐ Relevant Site Photos.
- ☐ **Letter of Intent for Zoning Variances (Chapter 27):** Please describe your situation and how your variance request is a result of all of the following conditions:
 - 1) By reason of exceptional narrowness, shallowness, or shape of a specific lot, or by reason of exceptional topographic conditions, which were not created by the owner or applicant, the strict application of the requirements of this Chapter would deprive the property owner of rights and privileges enjoyed by other property owners in the same zoning district;
 - 2) The requested variance does not go beyond the minimum necessary to afford relief, and does not constitute a grant of special privilege inconsistent with the limitations upon other properties in the zoning district in which the subject property is located;
 - 3) The grant of the variance will not be materially detrimental to the public welfare or injurious to the property or improvements in the zoning district in which the subject property is located;
 - 4) The literal interpretation and strict application of the applicable provisions or requirements of this Chapter would cause undue and unnecessary hardship; not merely impose a casual/discretionary inconvenience upon the applicant or his assigns.
 - 5) The requested variance would be consistent with the spirit and purpose of this Chapter and the City of Brookhaven Comprehensive Plan text; and
 - 6) How although economic considerations may be taken into *consideration* as a hardship, they are **not**, of themselves, be the *sole criteria* upon which the applicant seeks this variance.
- ☐ **Letter of Intent for Sign Variances (Chapter 20):** Please describe your situation and how your variance request is a result of all of the following conditions:
 - 1) Where the proximity of existing signs on adjoining lots causes the subject property to be ineligible, due to spacing requirements, for a sign of the type sought; or
 - 2) Where visibility of a conforming sign from the proposed street and within 50 feet of the proposed sign would be substantially impaired by existing trees, plants, natural features, signs, buildings or structures on a different lot; and
 - a. Placement of the sign elsewhere on the lot would not remedy the visual obstruction;
 - b. Such visibility obstruction was not created by the owner of the subject property; and
 - c. The variance proposed would not create a safety hazard to vehicular traffic or pedestrians.
 - 3) Variances shall be limited to the minimum relief necessary to overcome the hardship. No variances shall be granted to allow a greater number of signs than would be allowed if the hardship did not exist. No variance shall transfer to a new owner or occupant of the property.

Variance and Special Exception Application

If for any reason you cannot meet all the standards and regulations of the Zoning Ordinance, you may be entitled to present a request for a Variance before the Brookhaven Zoning Board of Appeals (ZBA). A Variance is a relaxation of the strict terms of the Zoning/Sign Ordinance (such as building setbacks, number of parking spaces or other regulations) for a specific property, to permit construction or use in a manner that would otherwise be prohibited because of the particular physical surroundings, shape or topographical conditions. Variances are covered in Article V, Division 4 of Brookhaven's Zoning Ordinance and Section 20-27 of Brookhaven's Sign Ordinance.

You will need to complete and submit your Variance Application by the 1st business day of the month in order for the Variance request to be heard at the next available scheduled meeting. The Zoning Board of Appeals meets the third Wednesday of each month at 7:00 p.m. in the Brookhaven Court Chambers, located at 2 Corporate Square, Suite 125, Atlanta, GA 30329. See the attached ZBA calendar for deadline dates and the Variance Checklist for complete application requirements.

You must present your request to the Board in the form of a hardship that you will experience if the strict application of the zoning regulation is enforced. The process is very similar to the Zoning process, and when granting a Variance, the Zoning Board of Appeals may impose requirements and conditions to protect adjacent properties and the public interest. Any application for a Variance must be supported by written verification pursuant to the questions listed on the Variance application checklist, attached.

Some aspects of development are not allowed to be varied, including requests that would:

- Allow a structure or use not authorized in the applicable zoning district or a density of development that is not authorized within such district;
- Allow an increase in maximum height of building;
- Allow any variance which conflicts with or changes any requirement enacted as a condition of zoning or of a special land use permit by the City Council;
- Vary the requirements for an off premises sign which decreases the applicable development standard by thirty (30) percent or more, or to grant more than two (2) variances for a specific parcel of property for an off-premises sign during a five-year period of time;
- Reduce, waive or modify in any manner the minimum lot width and minimum lot area where the lot has been conditionally zoned to a specific site plan;
- Reduce, waive or modify in any manner the minimum lot area established by the City Council for any use permitted by special land use permit or by special exception;
- Extend the time period for a temporary outdoor social, religious, entertainment or recreation activity approved by the director of public works;
- Permit the expansion or enlargement of any nonconforming use of land, nonconforming use of land and buildings in combination, nonconforming use of land and structures in combination, or nonconforming use requiring special land use permit;
- Permit the reestablishment of any nonconforming use of land, nonconforming use of land and buildings in combination, nonconforming use of land and structures in combination, or nonconforming use requiring special land use permit where such use has lapsed for more than six (6) months as described in Article V, Division 5 of the City's Zoning Ordinance; or
- Permit customer contact for a home occupation authorized by the Zoning Ordinance.
